

1st Annual Meeting Agenda

DAY 1 – 5TH SEPTEMBER

8h30 – 9h00

Welcome: SERIDA, European Commission / REA, CIHEAM-Bari

9h00 – 9h15

Objective of the meeting (CIHEAM Bari)

- *Take stock of past year activities and challenges*
- *Planning of 2nd year*
- *Synergies and internal network building*
- *Interaction with the External Advisory Board*

9h15 – 11h30

Presentation WP1-WP2-WP3-WP4

WP1 - Mapping and assessing current situation (concept and analytical framework)

Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:

- *Conceptual framework of for methods, tools, genetic resource, traits, needs, innovations*
- *Policies*

Brief overview of work envisaged in 2nd year.

WP2 - New Breeding & Evaluation methodologies

Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:

- *Genetic and breeding methodologies*
- *Final list of species to be addressed and final list of traits for each species.*

Brief overview of work envisaged in 2nd year.

Coffee break

WP3 - Innovative Phenotyping

Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:

- *Existing materials and phenotypic traits*
- *Efficient and robust tools based on imaging (fruit quality, fruit maturity, harvest date)*
- *Tools for pest/disease resistance and resilience*
- *Stocktaking of screening tests and evaluation protocols*

Brief overview of work envisaged in 2nd year.

	<p>WP4 - Integrative Genetic Resources utilisation</p> <p>Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:</p> <ul style="list-style-type: none">- <i>Identification of case studies dealing with genetic resources utilisation</i>- <i>Creation of organic participatory robust fruit breeding network and fruit varieties and rootstock testing network</i> <p>Brief overview of work envisaged in 2nd year.</p>
11h30 – 13h00	<p>Parallel working group sessions</p> <p><i>Participants will split and gather in two groups “stone fruit group” and “pip fruit group” to discuss and build common understanding of activities and preliminary results in WP1, WP2, WP3, WP4 and enhance 2nd year activities.</i></p>
13h00-13h30	<p>Presentation of outcome of working group sessions and wrap up</p>
13h30 – 14h00	<p>Moving to SERIDA</p>
14h00 – 15h30	<p>Lunch in Villaviciosa</p>
15h30 – 16h00	<p>Visit cider maker</p>
16h00 – 17h30	<p>Visit of SERIDA</p>
17h30 – 18h00	<p>Moving to Villaverde</p>
18h00 – 19h00	<p>Visit to experimental orchard collaborating with SERIDA</p>
19h00 – 19h30	<p>Return to Gijón</p>
20h00	<p>Dinner in Gijón</p>

DAY 2 – 6TH SEPTEMBER

9h00 – 11h00

Presentation WP5, WP7, WP8, WP9 and discussion

WP5 - Social Innovation

Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:

- *Mapping social innovation cases and organising social and non-technological innovation participative workshops*
- *Providing an operational definition of social innovation in organic breeding sector*

Brief overview of work envisaged in 2nd year.

WP7 - Dissemination, Communication, Training, Collaboration and Networking

Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:

- *Creation of a dissemination and communication strategy*
- *Website activation and creation of social media pages*
- *Identification of KPIs (current stage and planned)*

Brief overview of work envisaged in 2nd year.

Coffee break

WP8 – Impact assessment and risk management

Presentation of work done and delivering of first year with special focus on the main challenges of 1st year, particularly:

- *Mapping, monitoring and evaluation of KPIs of accomplished tasks in the 1st year*

Brief overview of work envisaged in 2nd year.

11h00 -12h00

Management and coordination issues (WP9)

- *Financial Reporting*
- *Technical Reporting*
- *Others*

11h30 – 12h00

Interaction with the External Advisory Board: questions / answers

12h00 – 13h00

WP6: proposed list of innovations

WP6 will present a list of innovations to prepare the ground for discussion in the “case study” working groups envisaged in the next session. The aim is to provide case study partners with a range of technical and social innovations which they can select for further development / application in their case studies.

13h00 – 15h00

Lunch

15h00 – 16h30 Parallel sessions

Meeting of the External
Advisory Board (hybrid)

*Objectives: taking stock of first
year activities and
recommendation to
coordinator and partners.*

16h30 – 17h00

17h00 – 17h30

17h30 – 17h45

17h45 – 18h15

1815 – 18h30

Case studies working group STONE
FRUIT

*Deliverable: interest of case study
partners in one or more
innovations, 2nd year planning of
innovation implementation in case
studies*

Coffee break

Presentation of work by Case Studies Working Groups

Recommendation by EAB members

Plenary discussion: 2nd year plan

Wrap up and conclusions

Case study working group PIP FRUIT

*Deliverable: interest of case study
partners in one or more innovations,
2nd year planning of innovation
implementation in case studies*
